The Science of Designing Wear-able Art

Imagine it. Design it. Create it. Wear it.

The Design Your Line Course & Kit offers an extraordinary way for students to explore the science of designing wear-able art. DYL provides all of the supplies, tools, projects and instructions needed to give young creatives an unforgettable experience in exploring painting & designing, while gaining confidence in original thinking skills and putting a one-of-a-kind stamp on their wardrobe!

Design Your Line offers a suggested curriculum that is on-trend and can be tailored to fit most K12 educational programs. DYL gives teachers all of the tools they'll need to instruct and create a rewarding & inspirational classroom experience.

DYL CURRICULUM EMPHASIZES:

- Long & Short Term Project Goals
- Strategic Design Planning
- Mistakes are Opportunities
- Experiential Hands-on Learning
- Preparation & Clean Up of Tools
- Dimensional Design Layering
- Thinking & Being Green
- Self-Exploration & Self-Expression

AND MORE...

“DYL is equal parts art studio, design shop and science lab... with a dash of “Project Runway” thrown in for good measure”

DYL AREAS OF STUDY INCLUDE:

- Negative Space Design
- Tape Framing
- Free Hand Brush Technique
- Custom Color Blending
- Hand-made Stamp Work
- Drip Painting
- Sponge Block Painting
- Paint Staining

AND MORE...
